Farming and Gardening - what do we know?

Wednesday 22 September - Lewis Carroll Centre

Tea and chat at 7pm, workshop starting at 7.30pm

Our parish has been farmed for hundreds of years. Additionally, there were large estates with large gardens, smaller, private gardens and allotments. Our new project is aimed at gathering as much information as we can about agriculture and horticulture in the past, but also we'd like to record what's happening now. Please come and join us and bring your stories and pictures, or simply just enjoy being together again - it's been a long time.

We'll bring the old maps along for you to have a look at too.

Come and join us!
