Newsletter December 2025

On Remembrance Sunday, we remembered all those from the parish who lost their lives in the service of our country. We also remembered those who came home safely and all of their families. You can read their stories on our website.

Look at this new memorial that Kerry has painted onto a wall at Preston Brook Wharf. We love it!

In 1920, this beautiful certificate was awarded to Arnold Platt from Preston-on-the-Hill when he was admitted to the brotherhood of the RAOB at the Millstream Lodge. It used to meet at The Millstone Inn. We know of two others who were in 'The Buffs', but maybe you know someone too? Please get in touch if you have any information you can share with us.

Thanks to all of you who helped us with the location of 'The Denna'. It's the little valley formed by the brook that runs into Appleton reservoir. You cross it if you walk from Goose Lane, Hatton to the reservoir.

Next meetings - all in the Lewis Carroll Centre, 7pm for 7.30pm
